

# FREE CEUs Four Ways!

LinguSystems

CONTINUING  
EDUCATION  
FREE!

We're always looking for ways to save you money while you earn important continuing education credits. That's why we're committed to bringing you FREE CEUs four ways.

LinguSystems is an approved CE provider by ASHA and CASLPA-ACOA.

1

**FREE CEUs Online!** Just log on to [linguisystems.com](http://linguisystems.com) and click on FREE CE Program. Here are the courses you'll have to choose from:

**Stuttering Disorders in School-Aged Children** – by *Nina Reardon-Reeves, M.S., CCC-SLP* and *J. Scott Yaruss, Ph.D., CCC-SLP*

This course provides an overall view of the assessment and treatment of school-aged children who stutter. Practical strategies are outlined and interactive activities are used to enhance participants' understanding of the concepts presented.

0.4 CEUs/4 CEEs

**Attention Disorders** – by *Clare B. Jones, Ph.D.*

This course is designed to help the SLP learn more about AD/HD and to provide the latest information on treatment and management of the disorder. A thorough description of the disorder is provided, along with conclusions from current research and practical suggestions for assessment, behavior management, and adaptations for clients ages birth to adult.

0.2 CEUs/2 CEEs

**Changing Behavior to Change the Child's Voice** – by *Nancy B. Swigert, M.A., CCC-SLP*

This course describes the causes and sequelae of vocal abuse in children. The course describes ways to use reinforcement to change the child's behavior to eliminate vocal abuse and to increase use of vocal hygiene techniques. Strategies to gain the support of adults in the child's environment and ways to help the child transfer skills to all settings are addressed.

0.2 CEUs/2 CEEs

**Intervention Strategies for ELL with Language Learning Disabilities**

– by *Celeste Roseberry-McKibbin, Ph.D.*

This course describes intervention materials and strategies for English Language Learners (ELL) with language-learning disabilities (LLD). Therapy techniques and materials appropriate for students in preschool through adolescence are presented. Suggestions for integrating strategies and materials and working with families are included.

0.2 CEUs/2 CEEs

**Reading Comprehension Strategies** – by *Regina G. Richards, M.A.*

This reading comprehension course progresses from global ideas and general strategies to actual pre-reading and reading strategies. Emphasis is on the importance of using a variety of pre-reading strategies and extensive vocabulary development activities. (Concrete suggestions for implementing are provided.) The strategies presented are based on known evidence regarding how the brain learns best and incorporate recommendations by the NRP and Reading First. The reader is encouraged to participate in and practice several of the activities. The presentation concludes with an application activity, a lesson plan for expository text with middle-school or secondary students.

0.3 CEUs/3 CEEs

2

**FREE CEUs with our Source®Courses™** Just log on to [linguisystems.com](http://linguisystems.com) and click on Free CE Program. Read one of these Source® books from LinguSystems and earn credits.

**The Source® for Asperger's Syndrome** – by Timothy P. Kowalski, M.A., CCC-SLP

This course details the unique communication and social issues of students with Asperger's Syndrome. Specific treatment strategies and teaching techniques are reviewed with detailed case examples and numerous comparative charts to enhance learning.

0.5 CEUs/5 CEEs

**The Source® for Children with Cochlear Implants** – by David J. Ertmer, Ph.D.

This course describes the history of cochlear implants and how to care for them. A variety of assessment and intervention strategies for children with cochlear implants are provided.

0.7 CEUs/7 CEEs

**The Source® for Dysphagia** – by Nancy B. Swigert, M.A., CCC-SLP

This course details working with adults with dysphagia. In-depth information is provided on the different types of assessments. Detailed case examples and comparative charts help build skills in dysphagia treatment.

0.8 CEUs/8 CEEs

**The Source® for Processing Disorders** – by Gail J. Richard, Ph.D., CCC-SLP

This course provides a comprehensive view of processing disorders and how to differentiate among them. Specific remediation strategies and the effect of different processing disorders upon academic performance and communication are reviewed.

3

**FREE CEUs with our Mini Look & Learn™!** For groups of five or more SLPs, we'll send you one or two DVDs by exceptional speaker Gail J. Richard for you to watch and discuss. Each DVD is a three-hour presentation. If you schedule a Mini Look & Learn™ PLUS for ten or more SLPs, we'll also send you a selection of relevant materials to review and buy, if you choose. If not, you can return them postage-free.

**Autism: From A to M** – by Gail J. Richard, Ph.D., CCC-SLP      0.3 CEUs/3 CEEs

**Syndrome Disorders** – by Gail J. Richard, Ph.D., CCC-SLP      0.3 CEUs/3 CEEs

4

**FREE CEUs with our Look & Learn™!** For worksites with 100 or more SLPs, we'll come to your site to provide a three-hour inservice on No Clinician Left Behind, a Comprehensive Look at the Code of Fair Testing Practices. We'll bring products, too, for you to peruse. Call Customer Care at 800-776-4332 to arrange your Look & Learn™. .3 CEUs

LinguSystems, Inc., is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education credits in speech-language pathology and audiology. Refer to each activity for specific information about the CEUs offered, instructional level, and content area. ASHA approval of CE provider status does not imply endorsement of course content, specific products, or clinical procedures.

Certified members of the Canadian Association of Speech-Language Pathologists and Audiologists (CASLPA) can accumulate continuing education equivalents (CEEs) for their participation with LinguSystems, Inc. One hour of coursework equals 1 CEE. All CASLPA members are encouraged to participate in ongoing education.
